

ACTIVARMR®
PERSONAL PROTECTIVE GEAR

GENERAL PURPOSE HI-VIZ™ GLOVES (97-012)

KEEPING WORKERS SAFE AND SEEN

Visibility is a top priority on dangerous jobsites. It can help avoid injuries and save lives. ActivArm® 97-012 General Purpose Hi-Viz™ gloves are specially designed to keep workers safe in low-visibility and low-light environments. And they're engineered to the core with the industry-leading combination of all-day comfort, dexterity, wet/dry grip and protection that meets the demands of the job.

ADVANTAGES

- Increases worker safety in low-visibility and low-light conditions
- Tactility/dexterity to complete intricate tasks more efficiently
- Excellent wet and dry grip to prevent injury from slippage
- Superior all-day comfort reduces hand fatigue
- Breathable fabric so hands stay dry and comfortable

ActivArm Personal Protective Gear from Ansell is engineered to protect personnel operating under real-world extremes. In road construction and around heavy machinery, work crews face a high risk of injury and fatality resulting from low-visibility or low-light conditions. The increased visibility of ActivArm® 97-012 GP Hi-Viz gloves can help mitigate the risk of injury in these environments and help workers do their jobs better.

>>HI-VIZ 97-012

IDEAL FOR:*

- Material handling
- Maintenance/Repair
- Flagging/Hand signaling
- Light carpentry
- Assembly/Inspection
- Heavy equipment operation
- Digging/Trench work
- General tasks that require visibility in low light

*While these are the most commonly noted tasks, gloves are not limited to them.
