Flush Away Flushable Wipes

Safe, Clean & Disposable Wipes. Dynarex introduces a breakthrough in a new premoistened wipe that is flushable and dispersible. Dynarex uses advanced technology unlike regular wipes which are only flushable because they are small enough to leave the bowl. What makes our product unique is its dispersibility: it easily breaks down back to fibers as it goes through the pipes. As an additional advantage, our product has cellulose fibers and is biodegradable.

- Safe to flush
- Convenient to use
- Safe for use on patients' skin
- pH balanced and alcohol free
- Cleans and moisturizes
- Soothes with the touch of aloe
