

NEW

Powerful Germ Kill, PURELL Peace of Mind.

KILLS NOROVIRUS IN 30 SECONDS. NO RINSE REQUIRED.

PURELL™ Foodservice
Surface Sanitizer

Trust the PURELL™ brand to sanitize the surfaces you and your food touch.

America has trusted the PURELL brand to safely and effectively eliminate germs on skin for nearly 3 decades. Now, backed by more than 25 years of scientific expertise, the PURELL brand brings you an effective, comprehensive germ-fighting solution for your surfaces.

PURELL Foodservice Surface Sanitizer provides:

FORMULATED FOR FOOD CONTACT SURFACES

No rinse required on food contact surfaces.
NSF certified D2 classification.

RAPID KILL TIME

Eliminates Norovirus, Salmonella, and E. coli in 30 seconds.

POWERFUL PEACE OF MIND

Features the lowest allowable EPA toxicity rating.

MULTI-SURFACE PERFORMANCE

Proven across most hard and soft surfaces.

Guest Experience MATTERS

The PURELL™ brand signals your commitment to quality.

Works quickly and effectively.

PURELL Foodservice Surface Sanitizer is a one-step sanitizer and cleaner that dissipates quickly and cleanly with no streaks or sticky residue. The light, fragrance-free scent gives you the peace of mind to use around patrons.

Multi-surface formulation.

Sanitizes and cleans everywhere you need it, with no rinse required on food contact surfaces!

Effective on HARD and SOFT surfaces, including:

- Plastic
- Granite
- Sealed wood
- Porcelain
- Laminate
- Upholstery
- Vinyl
- Stainless steel
- Glass
- Formica®

Powerful Peace of Mind

Introducing PURELL TOUCHABLE™ Technology

This revolutionary new product quickly and effectively eliminates germs on surfaces, including **Norovirus, E. Coli,** and **Salmonella** in **30 seconds**.

But powerful germ kill does not mean you have to expose your employees to harsh chemicals. PURELL™ Foodservice Surface Sanitizer is a no-rinse, food-contact formulation, featuring the lowest allowable EPA toxicity rating.

The formulation simply sanitizes and cleans any front or back of house surface without the harsh chemical fumes or required safety equipment of bleaches and traditional disinfectant cleaners.

Gentle enough to sanitize and clean a child's booster seat or cutting board, yet tough enough to kill Norovirus.

PURELL TOUCHABLE Technology means:

- **No rinse** required on food contact surfaces
- **No handwashing,** gloves or safety glasses required
- **No harsh fumes**

No competitor can match the PURELL™ brand's high standards for performance, people, and the planet.
